

**SAUCY MAMA DEBUTS SPUNKY NEW SALAD DRESSING**  
Saucy Mama Poblano Ranch Dressing To Hit the Shelves in New Year

Pendleton, Ore. (Jan. 8, 2015) –[Barhyte Specialty Foods](#) is unveiling a brand new salad dressing under its signature [Saucy Mama](#) brand, right in time to spruce up those salads that everyone’s eating to be healthy in the new year. Saucy Mama Poblano Ranch Dressing will be introduced to the public at the 2015 Winter Fancy Food Show in San Francisco; samples available in booth 464.

With a base similar to a classic buttermilk ranch, what makes this dressing extra special is roasted poblano chilies and a hint of jalapeno. Its creamy texture is enhanced with green herbs and cracked black pepper. Says creator Suzie “Saucy Mama” Barhyte, “I love the familiar feel of this ranch dressing, but it has something more-dynamic flavors and a kick! I think people will love this one.”

The Poblano Ranch Dressing joins the Saucy Mama lineup as the ninth salad dressing in the brand, alongside classic flavors such as Sesame Ginger, Raspberry Vinaigrette and Honey Dijon. However, this is the first ranch-type dressing in the line- a demand the company noticed among customers looking for a variety of sauces.

Besides pouring over a fresh green salad, Suzie recommends using the dressing in any Tex-Mex dish, like fish tacos, or as a dipping sauce for your vegetable tray.

Saucy Mama Poblano Ranch Dressing (MSRP: \$6.00/12 oz.), along with the company’s original classics, are available for sale at select gourmet specialty stores, as well as online at [Barhyte.com](#).

Thanks to overwhelming demand, the family launched their own manufacturing operation in 1977. Today, the company offers more than 65 award-winning mustards, marinades, sauces, and other condiments through the Barhyte Specialty Foods and the Saucy Mama brand, as well as through co-branded and private label relationships.
