

## **SAUCY MAMA BRINGS HOME RECORD NUMBER OF MEDALS AT SCOVIE AWARDS**

Barhyte Specialty Foods' Signature Brand Earns Four Medals at 2015 Fiery Foods Competition

Pendleton, Ore. (Jan. 8, 2015) – It's safe to say that Saucy Mama can bring the heat. Multiple products within the brand's line nabbed coveted medals from the 2015 Scovie Awards, which judges hot and spicy products from around the globe. More than 150 companies sent entries for participation in the blind taste test, including products all the way from Australia and New Zealand.

Barhyte Specialty Foods claimed four awards out of 790 possible entries- all under the company's signature Saucy Mama brand.

Saucy Mama Creamy Horseradish (MSRP: \$5.00/9 oz.) claimed first place in the hot and spicy horseradish category. It is always a favorite at the Scovie Awards, being recognized for its clean taste experience and creamy heat that adds a zesty punch to sauces, dressings, sandwiches and, of course, Bloody Marys. In 2011, it was named the grand prize Scovie Award winner, beating out more than 600 spicy products.

Scoring a silver medal in the traditional hot wing sauce category, Saucy Mama Hot Wing Sauce is a fan favorite adored by many. The versatile sauce works beyond the obvious chicken wing in pastas, baking, and even dressings. The sauce has scored high throughout the years at the Scovie Awards, picking up honors in 2011 and 2012 as well.

Newcomer product Saucy Mama Orange Habanero Wing Sauce also earned second place this year in the fruit based category, although the company isn't too surprised with this finish. "I knew my Orange Habanero was a winning product," explains Suzie "Saucy Mama" Barhyte. "This incredible mix of sweet and spicy has had rave reviews from family, our employees and the food blogger community. It's incredible!"

The Scovie Awards also recognizes top tasting products in a non-spicy category, where Saucy Mama Dill Mustard (MSRP: \$5.00/9 oz.) scored a bronze medal this year. Another fan favorite, this mustard offers a fresh, clean taste that makes a beautiful accompaniment to barbequed salmon, salad dressings, deviled eggs and much more.
