

Barhyte Specialty Foods Announces Winner of 2016 Recipe Contest... and a Surprise Team Saucy Mama Adds Two More Participants to World Food Championship's Roster

Pendleton, Ore. (June 2, 2016)- Saucy Mama's 2016 Recipe Contest- sponsored by Barhyte Specialty Foods- is proud to announce its first place, grand champ winner: Kim Banick of The Prize of Cooking. Barhyte's contest is a preferred qualifier for the 2016 World Food Championships (WFC) in Orange Beach, Alabama, which means that Kim will head to the event in November to compete on behalf of Saucy Mama.

As the contest winner, Kim will receive a \$1000 travel stipend, spending cash, plenty of Saucy Mama products and major bragging rights. Her winning recipe, which was tasted multiple times by various judges, is a sweet and spicy shrimp dish. Featuring Saucy Mama Orange Habanero Wing Sauce and Backyard Brat Mustard, Kim's Coconut Shrimp Lettuce Cups with Slaw were not only delicious, but they are creative and easy to make. As an added bonus, they are relatively healthy! Kim will compete in the Seafood Category at WFC.

But she is not alone in her endeavors. This year, Saucy Mama created a team of competitors who will all compete in different categories at WFC. The team includes previous WFC Top 10 competitors Merry Graham, Lisa Keys and Heather Walker. In addition, Barhyte decided last minute to include another spot on Team Saucy Mama, allowing the company to choose another winner to compete in a different category. In a surprise announcement, Barhyte selected Veronica Callaghan at Winning Dishes as second place for her Mini Steak Tostadas with Pomegranate-Avocado Salsa. These little appetizers are easy to make and incredibly delicious, featuring Saucy Mama Lime Chipotle Marinade and Poblano Ranch Dressing.

Barhyte Specialty Foods accepted 25 qualified foodies to compete in this prestigious contest, and the participants were able to select any six Saucy Mama products to sample in their final submissions. All members of Team Saucy Mama will feature Saucy Mama products in their competitive dishes at the World Food Championships, where they will each compete for the ultimate title of World Food Champion and \$100,000.

Thanks to overwhelming demand, the family launched their own manufacturing operation in 1977. Today, the company offers more than 65 award-winning mustards, marinades, salad dressings and other condiments through multiple premium brands, such as the signature Saucy Mama name, as well as through co-branded and private label relationships.
