

Barhyte Specialty Foods Announces Winner of 2017 Recipe Contest
Winner joins Team Saucy Mama at the World Food Championships in November

Pendleton, Ore. (June 22, 2017)- Saucy Mama's 2017 Recipe Contest- sponsored by Barhyte Specialty Foods- is proud to announce its first place, grand champ winner: Rebecka Evans of At Home with Rebecka. Barhyte's contest is a preferred qualifier for the 2017 World Food Championships (WFC) in Orange Beach, Alabama, which means that Rebecka will head to the event in November to compete on behalf of Saucy Mama in the bacon category.

As the contest winner, Rebecka will receive a \$1000 travel stipend, Golden Ticket Entry into the event, plenty of Saucy Mama products and major bragging rights. Her winning recipe, Saucy Mama Huevos Rancheros, won over the judges' hearts – and taste buds- with its unique bacon-highlighted components, including a Poblano Ranchero Sauce that's nearly drinkable. Featuring Saucy Mama Poblano Ranch Dressing and Hatch Chile Mustard, Rebecka's dish is excellent not only for Sunday brunch, but also as a fun dinner...because who doesn't love breakfast for dinner?!

Rebecka is the sixth member of Team Saucy Mama competing at this year's WFC. The team is made up of some of the most extraordinary home cooks in the US, and each one will compete in a different category. The team includes previous WFC competitors Merry Graham, Lisa Keys, Heather Walker, Kim Banick and Veronica Callaghan.

Barhyte Specialty Foods accepted 30 qualified foodies to compete in this prestigious contest, and the participants could select any six Saucy Mama products to sample in their final submissions. All members of Team Saucy Mama will feature Saucy Mama products in their competitive dishes at the World Food Championships, where they will each compete for the ultimate title of World Food Champion and \$100,000.

ABOUT BARHYTE SPECIALTY FOODS

Barhyte Specialty Foods, based out of Pendleton, Oregon, has roots dating back 200 years and 6,000 miles away in Germany, where Jacobus Barhyte first created a sweet-and-sour mustard that he brought to the US. Many generations later, Jan and Suzie Barhyte began selling mustard from the original recipe, as well as other signature creations, through their Swift and Martin Station Deli in Pendleton. Thanks to overwhelming demand, the family launched their own manufacturing operation in 1977. Today, the company offers more than 65 award-winning mustards, marinades, salad dressings and other condiments through multiple premium brands, such as the signature Saucy Mama name, as well as through co-branded and private label relationships.
